

Congratulations!  
Today is our day.  
We're off to Great Places!  
We're off and away!

We had caps on our head.  
We had feet in our fins  
We were just coming off  
Our JSL wins  
We just won the big one,  
and had trophy in tow.  
But it was still up to us  
to decide where to go.

We looked down the lanes  
and what did we see?  
A bunch of great swimmers,  
But no family.  
With our caps on our heads,  
and our fins filled with feet  
We thought to ourselves,  
Friends would be neat

This year, we said  
This year will be different  
We'd make time for each  
other  
We'd make time well spent

And we did what we said,  
With our caps on our heads

We did Kings Dominion,  
We had such great fun  
We rode rollercoasters  
And got burnt in the sun

We learned some bout  
Greg,  
That Clash of Clans was his  
game  
That he played it a lot  
With Lord Freestyle his  
username

Things had started to  
happen  
We didn't worry nor stew  
We just went right along.  
And started happening too.

OH!  
THE PLACES WE'LL GO!

We went to breakfast  
together  
At mountainside grill  
Then went thrift shopping  
For an American thrill

We had such team spirit  
Fairview swimmers felt it  
too,  
When we shouted "go  
gators"  
Off the blocks they flew

We saw them again this JSL  
weekend,  
A glorious end to a glorious  
season

It's easy to say  
That we got second place  
But in the end  
It's not just a race

It's an amazing adventure  
A travel, a trip  
It's a wonderful time  
Not something to skip

I'm sorry to say so  
but, sadly, it's true  
The season is over  
For both me and you

But let's not be sad  
This journey's not done  
You've all got summers  
More summers of sun

As we seniors leave,  
And say our goodbyes  
We see your passion  
Your zeal, and your drives

Now that we know  
The team's in good hands  
We can go off  
Go on with our plans

OH!  
THE PLACES WE'LL GO!

We'll get mixed up, of  
course,  
as we already know.  
We'll get mixed up  
With a new status quo.

So be sure when you step.  
Step with care and great  
tact  
and remember that Life's  
a Great Balancing Act.

Just never forget to keep up  
your kick  
Then you take any path that  
you pick

And will we succeed?  
Yes! We will, indeed!  
(98 and 3/4 percent  
guaranteed.)

OH!  
THE PLACES WE'LL GO!
